# Worldwide Claims Services

The Members of vrs adjusters:

are independent claims service providers with long traditions of excellence in their home insurance markets

are entrepreneurial 'owner/operators' who work together because we want to

use a tailored approach to each claim situation; vrs is not a "one size fits all" organisation. The adjusting skills always fit the individual claim

focus on major incidents and corporate programmes – expertise is not diluted by the demands of volume processes

have a proven track record in the management of global insurance programmes

provide fully accessible, on-line MI

are committed to our clients and their needs.

In this directory you will find the contact names and address details of all our offices. Should you require any further information, please contact your Regional Director who will be pleased to assist.

# Global Expertise

More than 3500 highly experienced loss adjusters and associated technical staff provide client-focused claims services across all lines of insurance business. vrs will ensure compliance with local procedures and regulations whilst embracing best global practice principles at all times. vrs ensures that the right skills are applied to any situation with no compromise on quality or standards.
